JULY MINI CAMPS

How many times have you been in the Championship ball game and you needed to get that clutch hit, to block a ball, or get the bunt down? Have you been called out on a close play when you could've beat it out, couldn't hit your spot while pitching, or let a girl score because you couldn't make the throw? Well, we are here to help!! In the month of July, Premier Sport Services will be offering multiple "Mini Camps" on Tuesdays and Thursdays, excluding July 14th, when the outdoor camp will be held at Twin Creeks Complex.

Camps will be from 10am to 12pm at the Premier Sport Services Facility and will only offer spots to the first 15 girls that sign up. The purpose of these "mini-camps" is to provide you with more in-depth discussions/demonstrations for each of the skills list below.
